

Ranching with Wildlife

Building Sustainable Communities, Preserving our Heritage

What: Workshop re: nonlethal solutions to reduce livestock-predator conflicts
Where: Petaluma, CA
When: March 26, 2016
2-5PM
RSVP: Keli Hendricks
darbyhendricks@icloud.com or
707 479-7806

Come learn about the Marin Livestock & Wildlife Protection program and non-lethal solutions to reduce livestock-predator conflicts including livestock guard animals and new innovative techniques including disruptive stimuli-based deterrents like Foxlights.
