- ★ Colleen Patrick-Goudreau & David Goudreau ★ Charles Knowles ★
- ★ Don Lipmanson ★ Rebecca Vitale-Mandich ★ Fauna & Guy Tomlinson ★

## About Project Coyote

Project Coyote, a national non-profit organization based in Northern California, is a North American coalition of scientists, educators, ranchers and citizen leaders promoting compassionate conservation and coexistence between people and wildlife through education, science and advocacy. We work to change laws and policies to protect wild carnivores from abuse and mismanagement, advocating coexistence instead of killing.

## Program Schedule
